Dietary Allergies/ Restrictions

Each school year the state requires the school to receive documentation from your physician to verify any food allergies/dietary restriction which need to be noted by the dietary staff/ cafeteria staff. Please have your physician fill out the below form or send documentation from their office verifying your child's allergy/restrictions.

No other notice will be forth coming. Please make sure to send it in the first week of school to implement any dietary restriction(s).

Student's name; _____ Grade __

Please be advised for the school year _____ the following allergies should be noted:

1. _____
2. _____
3. _____
4. _____
5. _____
