MESSAGE FROM SECONDARY PRINCIPAL:

The contents of this Handbook are intended to familiarize you and your parents with pertinent policies, regulations, practices and laws regarding various aspects of the middle level program. Please take it home to share with your parents. Also, please remember that it is your responsibility to become familiar with the contents, sign the form and return it to your homeroom teacher by the due date.

Just a reminder, Federal and State Laws, as well as Board of Education Policy, prohibits smoking anywhere on school grounds at all times. (This includes school buses and sports fields.) Students are permitted to carry cell phones; however, they must be turned off during school hours. If students violate this rule, the merchandise will be confiscated. Cell phones can only be used when administration deems necessary in an emergency.

All Board of Education Policies referenced in this handbook may be found on our website at www.brunswickcsd.org or in the main office.

If you or your parents have any questions or concerns, teachers, counselors, and administrators will be glad to discuss them with you.

5695 USE OF PERSONAL ELECTRONIC DEVICES

The Board of Education recognizes that there are personal electronic devices that have educational applications such as tablets, e-readers, calculators, voice recorders, digital cameras and music listening devices. In some instances a "smart phone" may include applications that permit these functions. These devices shall be allowed to be used in classrooms if the following criteria are met:

- The user has successfully registered the device with the district, in accordance with district procedures.
- For the student user, the teacher has authorized use of personal devices either in their classroom generally or for a particular exercise.
- The user uses the personal device to access the Internet or authorized applications through the district's network, under the terms of policy 4526, Computer Use in Instruction.
- The user takes full responsibility for his/her device and keeps it with him/herself at all times. The District shall not be liable for the loss, damage, misuse, theft or loss of data of any personal electronic device brought to school. Personal electronic devices are brought to the school at the user's own risk.
- The user is responsible for the proper care of their personal electronic device. The school will not provide technical support for any such personal electronic device.
- Personal electronic devices shall be properly charged prior to bringing them to school and shall be capable of running off their own battery while at school.
- Students are not permitted to use any personal electronic device to record audio or video media or take pictures of any student or staff member without their permission. The distribution of any unauthorized media may result in discipline including but not limited to suspension, criminal charges, and expulsion.
- Students should only use their personal electronic devices to access relevant educationally related files. They are not to make personal calls, text messages, emails or electronically communicate with others, including other students, parents, guardians, friends, and family, from their personal electronic device during class time.
- Personal electronic devices will connect to the guest wireless network. Use of 3G and 4G wireless connections is not allowed. No user shall establish a private, ad hoc, or peer-to-peer network using personal technology. This includes technology equipped to provide a wireless hot spot.
- Permitted use of electronic device is at the discretion of the instructor.

In emergency situations, exceptions to the prohibition personal electronic devices may be granted by teachers or administrators.

Misuse by students of any of these electronic devices will result in its confiscation until the end of the school day, as outlined in the code of conduct. Some uses of personal electronic devices may constitute a violation of the school district code of conduct and in some instances, the law. The school district will cooperate with law enforcement officials as appropriate.

CELLULAR TELEPHONES AND TESTING

In order to ensure the integrity of testing, in accordance with state guidelines, students are not allowed to bring cell phones or other electronic devices into classrooms or other exam locations during finals and state assessments.

Test proctors, monitors and school officials shall have the right to collect cell phones and other prohibited electronic devices prior to the start of the test and to hold them for the duration of the test taking time.

Admission to the test will be prohibited to any student who has a cell phone or other electronic device in their possession and does not relinquish it.
Students with individualized education plans (IEPs), 504 Plans, or documentation from a medical practitioner that specifically requires the use of an electronic device may do so as specified.

**EARLY MORNING / BREAKFAST SCHEDULE**

1) Buses begin to unload students at 7:15 a.m. with the last of the buses arriving approximately at 7:22 a.m. The warning bell rings at 7:26 a.m.

2) Arriving students will go directly through the breakfast line and eat in the Cafeteria supervised by the Teacher Assistants. These students will report to their lockers and class as soon as they finish eating. All other students will go to their lockers and wait for class to begin at 7:30 a.m. (Any students who are not waiting in line to be served will not get breakfast after that time.)

A. **BOARD OF EDUCATION POLICIES**

1. **Academic Attendance Policy** (See Brunswick C.S.D. Policy Policy # 8.145 [www.brunswickcsd.org/district/policy]) – Middle School:

   Make up work will be permitted for excused absences as long as students make arrangements with teachers no later than two days after returning to school. Excused absences will not be calculated into the attendance formula, provided that all make-up work is performed in a timely manner. The following procedures are in place to respond to unexcused absences. Band lessons, school concerts, field trips and other school sanctioned events are other examples of excused absences. For unexcused absences (truancy: the willful violation by a student of the compulsory attendance law), make-up work will generally not be offered.

2. **Academic Attendance Policy - Middle School**

   **At Intervals of 10, 15, and 20 tardys, a letter will be sent home to parents**

   a. 5 days at the end of the first quarter- informational letter sent to parent.
   b. 10 days absent at the end of the second quarter- letter sent to parent
   c. 15 days absent at the end of third quarter- letter sent to parent and PINS petition may be filed.

   Unexcused tardiness and absences will also subject a student to the range of penalties specified in the district Code of Conduct for each building level.

3. **Truancy** - Truancy is the willful violation by a student of the compulsory attendance law, which requires compulsory age students (17 years and under) to attend school full-time.

4. **Early Dismissal – Sign in/Sign Out Procedures** - Students and parents are encouraged to schedule appointments after school hours. However, if students are to be excused for doctors' appointments, they are to report to the Office with a note **PRIOR TO FIRST PERIOD**. Parent or guardian telephone numbers **MUST** appear on the request for early dismissal. (Early Dismissal presumes that the student will not be returning the same day.)

   Permission will be issued after presentation of a written excuse signed by parents and approved by the principal. Students who will be leaving early are listed on the morning bulletin. These requests **must be handed in at the front desk upon the students’ arrival at school in the morning - prior to first period.**

   All students need to sign-out with the Mrs. Perfetti BEFORE LEAVING THE BUILDING.

5. **Excused and Unexcused Absences**

   The student and his/her parent or guardian is responsible for providing written notification of the reason for an absence upon the student’s return to school. Until written notification is received, all absences are considered to be unexcused. Parents or guardians are required to contact the
acceptable reasons for an excused absence or tardy, so long as they are documented within three (3) school days upon returning to school:

- Student illness
- Illness or death in family
- Impassable roads or weather
- Medical appointments that cannot be scheduled outside of school hours (a note from a parent/guardian must be presented upon return to school)
- Required appearance by the student in court
- Religious observance
- Medical quarantine of the student
- Family trip for educational purposes with prior approval from building principal
- Student’s participation in an approved cooperative work program
- Military obligations
- College visits approved by a building principal or counselor (approval in advance is requested)
- Any other absence excused at the discretion of the building administrator (e.g., non-family bereavement) including but not limited to absences due to circumstances related to homelessness.

Unexcused absences or tardiness are those not included in the list set forth above. Absences for approved reasons for which a student does not have pre-approval from the district or for which the student does not provide appropriate documentation within three (3) school days of his/her return to school will also be recorded as unexcused. Parental requests for excusal from schools for reasons not included above (i.e., cutting classes, to take a driver’s test, a senior “skip” day, or not stating a specific reason) are unexcused absences. Excuses that a student overslept or had car trouble will constitute an unexcused absence or tardy.

6. **Contacting Parents**
   In the event that a student is absent from school without a previous notification to the Health Office, a school designee will call the student’s home to confirm the student’s absence. If no parent or guardian is home, the district will contact a parent or guardian at their place of employment or number listed on the student’s emergency contact form. In both situations, if contact is not made with a parent or guardian, a message will be left for the parent or guardian to call the school immediately.

7. **General Procedures/Data Collection**
   - Attendance will be taken during each class period at the middle school and high school buildings.
   - At the conclusion of each class period or school day, all attendance information shall be compiled and provided to the designated staff member(s) responsible for attendance.
   - The nature of an absence/tardy shall be coded on a student’s record.
   - Student attendance data shall be available to and should be reviewed by the designated school personnel in an expeditious manner.
   - Where additional information is received that requires corrections to be made to a student’s attendance records, such correction will be made immediately. Notice of such a change will be sent to appropriate school personnel subject to applicable confidentiality rules.
   - Attendance data will be analyzed periodically to identify patterns or trends in student absences.
- Where consistent with other school practices, teachers and staff shall detain students in the hallways who are absent from a class period without excuse and refer the students to the building principal.

- Continuous monitoring will be conducted to identify students who are absent, tardy, or leave class or school early. If a pattern of absence for an individual student is identified, a designated staff person(s) will follow-up in accordance with this policy.

The parents/guardian will be called immediately and will remove the student from the school or school function. The student will be suspended and will be subject to the procedures outlined above. No hearing or discussion will be attempted while a student is under the influence.

   D. Should a student not participate with the Social Worker as outlined above and/or his or her parents/guardians refuse to sign the counseling agreement, the matter will be referred for a Superintendent’s Hearing and possible suspension or expulsion from school.

**STUDENTS WITH DISABILITIES**

As specified by New York State Education Law and the Commissioner's Regulations, a continuum of program alternatives is available to meet the varied needs of students with disabilities who reside in New York. For more information regarding the referral and evaluation of students suspected of having a disability, please refer to New York State’s *A Parent's Guide to Special Education* or contact Myles Goss, Director of Special Education, at 279-4600 x2702.

**REPORT CARDS AND PROGRESS REPORTS**

We communicate your child’s academic performance to you eight times during the course of the year through the use of progress reports and report cards.

Progress report period ends during the 5th, 15th, 25th, and 35th weeks of the school year and will be **available on Parent Portal** to you. The computer-generated forms contain at least one comment from each of your child’s teachers pertaining to his/her performance in class as well as a grade range. Please refer to the Parent Portal instructions location on page 30 of this handbook.

Grade report periods end during the 10th, 20th, and 30th weeks of school and report cards are **available on Parent Portal**. The last report card will be mailed after the last day of school in June. We use numeric grades in the Middle School, with a passing grade of 65%. Students who earn grades of 89.5 or above will be on the Middle School Honor Roll for that marking period and students who earn grades 94.5 and above will be on the Middle School High Honor Roll. Report cards contain comments on class performance and a tardy/absenteeism report as well as a number grade for each course and overall average for that marking period.

By reporting formally to you every five weeks, we hope to keep you up to date on your child’s performance. You are also welcome to contact our Guidance Office at any time should you have any questions pertaining to your child’s performance (279-4600 ext. 2204).

**MISSED WORK**

Students who have missed work for any reason are expected to make up that work. One additional day will be allotted for makeup work for each day your child is out sick. If your child is out sick for one day, he/she should either ask a fellow student for homework or make up the work on the following night. If a student is out sick for more than one day, a parent should call the Middle School Guidance Office by 8:00 a.m. and request work from the teachers. This work can be picked up at the Guidance Office after 2:15pm. In addition, many teachers now list homework assignments on their websites. We regret that we cannot go into your child’s locker and get books or transport work personally to the elementary school.

If a student is absent prior to the end of the quarter, he/she may receive an incomplete on their report card due to missing work. The student will need to hand in all missing work no more than two weeks from the end of the quarter so that the incomplete can be changed to a numeric grade.

Students who are absent from school for family vacations are personally responsible for asking their teachers for work a week ahead of time. Teachers will give assignments in this type of situation wherever possible. If
your child must make up work after vacation, one additional day will be allotted for makeup work for each day your child was out, not to exceed ten days.

**Homework** – Students may receive a zero for borrowing/copying/loaning homework.

**Course changes** – Student/parent initiated changes to course schedule will be accepted for review up to the first progress report.

**ELECTRONIC DEVICES**

Please refer to the Board approved District Policy on page 3 of this handbook.

**HONORS SEMINAR COURSE DESCRIPTION AND SELECTION INFORMATION**

In an ongoing attempt to improve academic instruction for all students and create educational opportunities to challenge our most capable students, we will offer Honors Seminar, an intensive research and project-based course that will allow students to delve deeper into contemporary education issues than is presently possible in most of our courses to ninth graders. This course is not tied to any one subject, such as English or Social Studies, but is designed to investigate topics of interest of the students and teachers. This course will be co-taught and additional educational resources will be assigned to this course.

**Selection Information:** A selection process, including a scoring rubric, for students to get into Honors Seminar has been established. In May of the school year, any 8th grade student who meets the minimum academic standard of an 85 average (averaged through the 3rd quarter of the 8th grade school year in all courses) may apply. After that, each student’s English, Social Studies, Math, Science and Foreign Language teacher will be asked to assess his/her homework completion, homework effort and provide an overall recommendation to the Honors Seminar for each student. All 3 teacher assessments will be averaged, and combined with points for grade point average and a writing assessment, a final rating for each student will be compiled by the school administration and determinations for placement into the Honors Seminar class next year will be made based on these ratings. A student may earn from 1 to 8 points for their GPA, 0 to 2 points for homework completion, 0 to 2 points for homework effort, 0 to 5 points for overall teacher recommendation for this course and from 0 to 6 points on the written assessment for a possible total of 23 points. The written assessment will be administered in school in May. The number of students accepted into Honors Seminar is made by the school administration, and this decision is final. The goal of this process is to provide rigorous standards for students who seek admission into Honors Seminar, similar to standards presently applied to Accelerated courses in this building and to maintain the academic integrity of all courses offered to our students. Any questions about this course can be directed to the Middle School counselor of the building Principal.

**PARENT CONFERENCES**

After this time, students are expected to remain in their performing ensemble through the first concert. Only in extreme cases, and after parent communication with the performance director and an administrator, will exceptions be considered. For
the remainder of the year, anyone wishing to withdraw must do so after parent consultation with the performance group music director and the middle school guidance counselor.

**STUDENT VISITATION PROCEDURE**

In order to maintain an appropriate instructional environment, visitations by students outside of our school district will be subject to the guidelines listed below.

A student from another school may visit our school if:
1. The student is interested in attending Tamarac Middle School and should not be in attendance in another school that day.
2. The visitor is at the appropriate grade level (i.e. 6th grade student visiting 6th grade, etc.)
3. Prior approval is gotten from the grade-level team members.
4. Prior approval by the Administrator.
5. Telephone numbers where parents can be reached in the event of an emergency.

Students are not allowed to visit Tamarac Middle School for any other reason.

**POSITIVE BEHAVIOR INCENTIVE PROGRAM**

As a method of rewarding students who consistently follow school rules and demonstrate appropriate behavior, there is a point system in effect at Tamarac Middle School. This is also designed to eliminate negative behaviors such as inappropriate hall behavior, lateness to class, and behaviors that result in referrals or suspensions. Students with excessive amounts of points will lose various school privileges. As a school, we recognize that students will misbehave occasionally and make mistakes. Students who wish to lower their number of points can perform “services” for adults in the building or community as a way to reduce the number of points they have.

**How Students Receive Points:**
White cards are given out for breaking rules such as lateness to class, inappropriate hall behavior, etc. White cards are given in addition to other consequences and can be given by any teacher in the building. Each white card given to a student counts as one point. It should be noted that once a student reaches a benchmark point level (5, 10, 15, etc.) it is important that there is a consequence.

Referrals: Any referral received not resulting in more than one period of ISS or OSS counts as three points.

ISS/OSS: Any referral that results in OSS or ISS for more than one period will count as 5 points.

**How to Reduce Points:**  *Students are encouraged to reduce points.*
Students can do services to work off points that have been accrued. It is the student’s responsibility to see a teacher, as well as complete and return paperwork to the Middle School Office, to successfully complete services. One service is equal to a minimum of twenty minutes of work supervised by a school staff member.

**Examples of Services:**
Students can, with a teacher’s permission, clean desks, tutor other students, clean technology rooms, work in the library, pick up papers, clean storerooms, etc. Each completed service will eliminate one (1) point. The service opportunities are the sole responsibility of the student, who must seek out service with staff members.

Community service is another acceptable way to work off accumulated points. The student cannot do this community service under the auspices of the parent but in an actual community setting such as a church, non-profit organization, nursing home, school, or an agency that would profit by VOLUNTEER work. This community service is acceptable with the following provisions:
• Student will obtain and complete a Community Service Form available from the Middle School Office

• After completing the community service, the student will submit the form to the team leader for removal of number of points indicated (one per each twenty minutes of service).

**Rewards and Consequences for Point Totals:**

**STANDARDIZED TESTS**

Students take Common Core tests in Grades 3-8 in English Language Arts and Mathematics. Eighth Grade students will be taking the Common Core English Language Arts, Science and Mathematics tests. These tests are intended to measure student achievement in relation to the Common Core Learning Standards.

The results of all Standardized Tests are housed in the Middle School Guidance Office. Any questions or concerns should be directed to Mrs. Kari Dowling- Ryan, Middle School Guidance Counselor (279-4600 ext. 2204).

**MIDDLE SCHOOL EXAM PROCEDURES**

*(The appropriate Exam Procedures will be read to students prior to each exam.)*

The following exam rules apply to mid-term exams, final exams, and Standardized Tests:

1. The class roster will be used to take attendance.
2. A list of missing students will be sent to both guidance and the teacher whose exam is being given.
3. All desks are to be cleared of everything except exam materials. Any books, pocketbooks, etc. are to be placed under chair seat if possible.
4. Once the exam directions begin, there is to be no talking for the entire exam period.
5. When students complete the exam, they are to place their papers face down on the desk and wait for the proctor to collect the exam. After the exam is collected, they may sit quietly, read books, or study for the next exam.
6. If there are any questions, students are to raise their hand and wait for the proctor to come to their desk.

7. No students are allowed to leave the room except for emergencies.

8. Exams will be a maximum of four periods long. No extra time will be permitted, except for CSE students.

9. Students are expected to bring appropriate/required exam materials with them, i.e., pens, pencils, etc.

10. Regular classroom rules regarding food, beverages, etc. will be followed.

EXAM EXEMPTIONS

There will be no final exam exemptions in Grade 6 or Grade 7. Grade 8 will allow for exemptions for those students who have achieved a cumulative average of 93 in a class for all four marking periods. However, all students who are enrolled in a foreign language must take the foreign language proficiency test. Also, if the student is not in a foreign language, but has the grades to be exempt from all other exams, he/she must take at least one exam, either the science or math exam.

PROMOTION/RETENTION POLICY

1) Students will receive a “final average” for each course completed. The final average is figured by averaging the four marking period grades and the final examination score.

2) Grade-level Placement Committees meet in June (following final examinations) to make a final determination as to whether a student is promoted or retained. Promotion and retention are decided by final averages. The Grade-level Placement Committees consist of the student’s teachers, the Middle School Guidance Counselor, and administrators. Parents are informed in writing of possible retention after each committee meeting.

3) In addition to direct and written communication from the teachers, the Principal sends written notification home to the parents of students in jeopardy of being retained.

4) Students are retained if two final averages are less than 65% in the disciplines of Mathematics, Science, English, Social Studies, Foreign Language (Grades 7 and 8), and Special Subjects, including Health in Grade 8. Also, in Grade 8, students must pass the foreign language proficiency test.

5) In extreme and unusual cases, the Principal may authorize the placement of a student to the next grade who has not met the minimum requirements for promotion.

6) Eighth grade students who are retained or placed into ninth grade may not participate in eighth grade promotion or moving-up exercises.

CODE OF CONDUCT FOR COMPUTER/ CHROMEBOOK USERS

The following code of conduct for Computer / Chromebook users must be read and signed by all students and their parent(s)/guardian(s) before using computers in the Brunswick Central School District. The signed form must be returned to the teacher before the student can have access to a computer.

As a computer user, I agree to follow the rules and code of ethics explained below.

1. I will use the school’s computer for educational work only.
2. I will respect school property. I will not steal, deface, or vandalize school equipment.
3. I will not disturb others while working on school computers.
4. I will not view, send, or display offensive messages or pictures.
5. I will not make unauthorized copies of software found on school computers as I recognize that
software is protected by copyright law.

6. I will not attempt to gain unauthorized access to programs.
7. I will not use anyone else’s password or file.
8. I will not download or save information on the hard drives of any school computer without classroom instructor’s permission.

I understand that the following penalties will apply if they are found in violation of district computer policies:

- First offense: Student logoff; referral and warning.
- Second offense: Student logoff; referral and loss of computer privileges for two weeks.
- Third offense: Student logoff; referral and loss of computer privileges for the rest of the year.

PLAGIARISM

Plagiarism is using another’s work and claiming it as one’s own. Plagiarism has a standard penalty of a zero on the assignment; however, the teacher may permit the student to complete an alternate assignment for partial credit. Additional consequences may occur at the discretion of administration. We strongly encourage students to ask their teachers for clarification or guidance if there is any doubt when completing an assignment. Also, the school library’s web page has examples on how to correctly cite pieces of writing. Ignorance of plagiarism will not be accepted as an excuse.

CURRENT ACADEMIC ELIGIBILITY POLICY

Two or more failures places your child on academic probation. Participation in athletics, clubs, dances, and attendance at school events is a privilege, open to students who meet academic eligibility standards and behavioral expectations.

EXTRACURRICULAR ACTIVITIES

A. The Board of Education of the Brunswick Central School District recognizes the importance of the extracurricular life of the school and supports the concept of a diverse extracurricular program to enable each student to achieve full potential. The Board supports the assignment of staff for the formation of student groups for any of the following purposes:

1. Developing academic interests.
2. Developing athletic interests.
3. Providing for social interaction and the development of positive social relationships.
4. Developing understanding of the responsibilities and characteristics of good citizenship

B. Students participating in such activities, do so as representatives of the District. Their conduct is expected to be exemplary.

C. Participation in extracurricular activities is elective and a privilege. It is not an entitlement. Student participation or involvement in activities that reflect poorly on the District or its schools or are in violation of the student code of conduct may result in suspension of such privilege.

Academic Eligibility is determined by the grades a student earns in all courses. If a student receives a failing grade in two or more courses, the student has not met the academic standard, and may not be allowed to participate in or attend athletic games, practices or other school activities (sporting events, non-educational field trips, community service projects, dances, etc.). A grade of 64 or below is considered failing. Interim course grades at the five (5) week mark of each marking period and quarter
**Course Grades** the student earns at the end of each marking period in all classes will be used to determine if the academic standard has been met. This policy applies to all students in grade 6-12.

With the first occurrence the student will be placed on academic probation for five (5) weeks. A student on academic probation may fully participate in all extracurricular activities. During this time a student on academic probation must meet with his/her teacher(s) with the goal of showing improvement in his/her failing classes. For this improvement to be assessed, the student is required to meet with each of the teachers of the class he/she is failing at least once every five days during this ten school day period. A student who fails to meet with his/her teacher within five days becomes academically ineligible (see below).

Academic eligibility does carry over from the end of one school year to the first five weeks of the next school year. If a student is determined to be academically ineligible at the end of the school year, they will be placed on academic probation for the 1st five weeks of school, and will be expected to be current with all school work and to be passing all of their new classes until the 1st interim marking period grades are available; all of their teachers will have to sign off on a contact sheet weekly. If a student is not meeting these standards, the student becomes academically ineligible (see below). A student will only be placed on academic probation once while in Middle School and once while in High School, except when placed on probation at the beginning of the school year; this may happen more than once during a student’s attendance at Tamarac.

With all subsequent occurrences, the student will be academically ineligible for the next five weeks or until the next interim grades or quarter grades are distributed. If a student is academically ineligible, he/she may not participate in any extracurricular activities for a period of ten school days after becoming academically ineligible. During this time, an academically ineligible student is strongly encouraged to meet with his/her teacher(s) with the goal of showing improvement in his/her failing classes. For this improvement to be assessed, the student is required to meet with each of the teachers of the class he/she is failing at least once every five days during this ten school day period. Contact sheets to document the meetings with his/her teachers will be available to each academically ineligible student and can be picked up by an academically ineligible student in the Main Office. When this obligation has been met and the contact sheet has been returned to the Building Principal, the student will be allowed to return to and participate in sports practices and/or school club meetings. He/She may not participate in sports games or other club activities until the next interim grades or quarter grades indicate that the student is now academically eligible. If a student does not initiate contact with his/her teachers or fulfill the expectation of meeting with the teacher(s) of the classes he/she is failing during this ten school day period, he/she will not be able to participate in or attend athletic games, practices or other school activities until the next interim grades or quarter grades indicate that the student is academically eligible.

Summer school grades will not be considered for eligibility purposes. Students new to our school district will not have his/her academic eligibility assessed until he/she has attended our school for five weeks.

The academic eligibility policy is applied at the discretion of the building principal. This policy reflects the common goals of sustaining academic achievement while participating in extracurricular activities.

**Student Discipline and Eligibility**

1. If a student chooses to leave school illegally or cuts a class, that student will not be eligible to attend or participate in any after school activity or function on that day. If the infraction is discovered at a later date, the consequences will be applied at that time.

2. Any student receiving in school suspension for five or more periods is ineligible to participate in any interscholastic sports contest or practice, extracurricular activities, or functions on that day.

For additional information regarding sports eligibility, see the Athletic Handbook for clarification.
Our Schools are Learning Environments that are Threat Free

To Establish and Maintain SAFE AND SECURE SCHOOLS, We Will Each:
❖ care for ourselves
❖ extend care to others
❖ take care of our school

Definition of threat:

THREAT – An explicit or implied demonstration or declaration of intent to inflict harm, punishment, injury, loss, or death on an individual; an express or implied indication that violence, injury, loss, or pain will be inflicted on another.

A. Any student, who receives a threat or hears or observes one being made, shall immediately notify a member of the staff, faculty, or administration.
B. Any member of the staff or faculty who is informed of, or hears or observes a threat on another, or who receives a threat, shall immediately notify the building administrator.
C. Any building administrator who is informed of a threat, or hears or observes a threat on another, or who receives a threat, will conduct an immediate and thorough investigation of the matter. This will include conferences with those alleging that a threat was made and the individual(s) who allegedly made such threat.
D. If after such investigation it appears reasonably certain that the allegation is true, the building administrator will immediately consult with the school guidance counselor, psychologist, social worker and/or child study team. These consultations may lead the building administrator to contact county agencies, including those concerned with mental health, social services and child protection. If necessary, arrangements will be made for an emergency mental health evaluation.
E. The building administrator will call the parents or guardians of all the students involved in the incident.
F. Unless otherwise required by law, school district policy or as a reasonable and prudent response to an imminent threat to health and safety, the building administrator will consult with the Superintendent as to whether law enforcement officials should be contacted.
G. The behavior of a student found to have made a threat will be addressed in accordance with the school code of conduct. If the student behavior is not proscribed by the code of conduct, the building administrator or superintendent will take reasonable measures to provide an appropriate school response to the behavior consistent with federal, state and local due process requirements.

**Students should report any concerns about safety to an adult even if uncertain. Students play an essential role in keeping their school safe. Harassment and bullying can escalate into serious violence. Students must refrain from this type of behavior. Individual differences and diversity can contribute to the strength of our school and should be accepted.

CODE OF CONDUCT FOR STUDENTS RIDING SCHOOL BUSES

The following code of conduct is published for the safety, health, and welfare of all children who ride school buses. The laws of the State of New York provide a legal basis for transporting pupils to and from schools. This code is designed for the purpose of setting forth the regulations governing the conduct of pupils who ride the school buses.

SCHOOL BUS REGULATIONS – PUPIL RESPONSIBILITY

1) The driver is in charge of the pupils and bus. Obey the driver promptly and cheerfully.

2) Be on time at the bus stop. The bus cannot wait beyond its regular schedule for those who are tardy.

3) Wait in an orderly line off the highway or street.

4) **DO NOT** run toward the bus while it is in motion.

7) **DO NOT** try to get on or off the bus or move about within the bus while it is in motion.

8) Behave on the bus as you are expected to behave in the classroom.

MISCONDUCT ON THE BUS IS SUBJECT TO THE SAME DISCIPLINARY MEASURES AS MISCONDUCT AT SCHOOL. WHEN NECESSARY, THE PRINCIPAL MAY SUSPEND RIDING PRIVILEGES.

9) **DO NOT** engage in any activity that might divert the driver’s attention and cause an accident, such as:
   a) Loud talking or laughing, or unnecessary confusion.
   b) Unnecessary conversation with the driver.
   c) Extending any part of the body out of the bus windows or doors.

10) **DO NOT** engage in any activity which might damage or cause excessive wear or litter to the bus or other property. The following activities are **PROHIBITED AT ALL TIMES:**

    c) Bringing animals on the bus.
    d) Throwing objects or articles in or from the bus.
    e) Tampering with mechanical equipment, accessories, or controls of the bus.

12) Cross in front of the bus and at a safe distance in front of the bus in order to be seen by the bus driver. (Minimum: 10 to 12 feet).
AFTER SCHOOL ACTIVITIES / CROSSING ROUTE 2 / LEAVING SCHOOL GROUNDS

Students in Grades 6-8 may stay after school only if they are under the direct supervision of a teacher for a specific purpose (clubs, activities, detention, extra help, etc.). Students must stay with the supervising teacher until they are dismissed to the elementary bus at 3:20 p.m. Students who stay after school to work with a teacher, or those waiting to participate in an athletic practice, game or other school sanctioned activity may not cross Route 2 or leave school grounds for any reason unless accompanied by their parent or teacher. Students who do this forfeit their right to attend school sponsored activities (athletic contests, dances, practices) that day and may not be allowed to take the 3:20 p.m. bus home. Further consequences may also follow per the discipline policy, especially for repeat offenders.

Tamarac Secondary School is a closed campus. This means that students may not leave campus and then return during the school day, except for excused reasons, such as medical appointments. Any student who has early dismissal and leaves school grounds may not return while school is in session for any reason.

*** Students getting off the morning bus at school may not cross Route 2 or leave school grounds for any reason. Doing so will result in a school consequence.

*** Students who are absent or leave school due to illness are not eligible to attend after-school events or activities on that date. Exceptions are for those participating in Music Department concerts.

AFTER SCHOOL, EVENING, AND FIELD TRIP ACTIVITIES RULES

There may be times when Middle School students are engaged in activities after school hours, at evening performances (either as a participant or as a spectator), or on field trips.

During these activities the following rules will apply:

1) Signed permission slips will be submitted to the teacher in charge of the after-school activity/club. No student will be allowed to stay after school without a signed permission slip.

2) Students will comply with scheduled time of activity.

3) No leaving of designated area of activity at any time.

4) Appropriate behavior and dress is expected at all times.

5) Students will follow the directions of chaperones at all times.

6) Only students from Tamarac Middle School will be permitted to attend regular Middle School dances. There will be no exceptions given.

7) Students will be picked up immediately at the conclusion of an event or activity. Students not picked up on time will not be allowed to participate in future events and activities. If a student is
8) Only those students with written permissions signed by parents on file in the Middle School Office are allowed to walk or ride their bicycles to school. Students are reminded to wear helmets when riding bicycles.

CLUBS AND ACTIVITIES

Students at Tamarac have an opportunity to join many after school clubs, activities, and intramural sports. Band, chorus, and instrumental lessons are also offered during the school day.

Many activities change from year to year, so students need to listen to morning announcements and bring home flyers, especially during the first few weeks of school. Examples of the different clubs and activities may include:

- TLC
- Book Club
- Ski Club
- Student Senate
- Science Club
- Kids Care Club
- MS Music Club
- Musical Production

SCHOOL DANCES

Throughout the year, dances are sponsored by a variety of clubs and organizations. Please remember that dances may be cancelled due to inclement weather, or at the discretion of the club supervisor.

SPECIAL EVENTS / DANCES

Any student receiving in-school or out-of-school suspension within the time period between dances will not be allowed to attend the next dance. Also, any student who has ten (10) points or more cannot attend Middle School dances.

DANCE RULES

The following rules must be followed when attending Middle School Dances.

- Students should be dropped off no later than 15 minutes after the start of the dance. Any student arriving after the first half-hour must be escorted to the door by a parent/guardian.

- Students cannot leave the dance early for any reason unless their parent/guardian comes inside the building to pick up the student.

- Anyone who behaves inappropriately will be removed from the dance. Parents will be called to provide transportation home.

- If a student is asked to leave a dance due to a major rule infraction, the administrator may remove the student from dances for the remainder of the school year.

- All chaperones are supervisors. All students will obey the directions given by chaperones.
• No soda, candy, or gum in the gymnasium or cafeteria. All refreshments must be consumed in the “refreshment” area.

• No moshing or other inappropriate dances.

• Students who misbehave are subject to the Middle School discipline code.

• Only students attending Tamarac Middle School will be admitted into the dance. Students from other schools are not allowed.

• Students must obtain a permission slip from their homeroom teacher and bring the signed permission slip to the dance or they will not be allowed into the dance.

• Students with ten (10) points or more will not be allowed to attend dances.

Parents are reminded that students must be picked up PROMPTLY at the end of the dance

EIGHTH GRADE DINNER DANCE

Participation in end-of-the-year special events will be based on an evaluation of the student’s behavior record for the entire school year. The number and severity of behavior referrals and noticeable improvement will be considered.

The following criteria applies for eligibility to attend the Eighth Grade Dinner Dance:

• No more than 25 points at any given time during the school year
• No more than five (5) full days of In-school Suspension (ISS)
• Limit of 10 referrals of any kind
• No more than one (1) incident of Out-of-school Suspension (OSS)
• No incidents involving drugs, alcohol or weapons

Furthermore:
• Eighth grade students may only bring a guest who is in grade 7, 8 or 9.
• Any guest who is not a Tamarac student must have a permission slip (obtain form from office)
• Students who are absent or come to school after 11:15 on the day of the dance are not allowed to attend the dance.

MODIFIED SPORTS

Students in 7th and 8th grades may try out for these teams, which compete with other schools. New York State law does not allow participation by sixth grade students in modified sports.

NOTE: Any student receiving OSS will not be permitted to attend extra curriculum activities during the time of the suspension. Any student receiving 5 or more periods of ISS is ineligible to participate in any extra-curricular activities or functions on that day.
The essential elements of character building and ethics in athletics are embodied in the concept of sportsmanship and six core principles: trustworthiness, respect, responsibility, fairness, caring and good citizenship. The highest potential of athletics is achieved when competition reflects these "six pillars of character".

Therefore while attending home and away events:
1. I will refrain from coaching my child or other players during games and practices.
2. I will respect the officials and their authority during games.
3. I will never question, discuss or confront coaches at the game field, and will take time to speak to coaches at an agreed upon time and place.
4. I will remember that student athletes participate to have fun and that the game is for youth, not adults.
5. I will teach my child that doing one's best is more important than winning, so that my child will never feel defeated by the outcome of a game or his or her performance.
6. I will require my child treat other players, coaches, officials, and spectators with respect regardless of race, creed, color, sex or ability.
7. I will promote the emotional and physical well-being of the student athletes ahead of any personal desire I may have for my own child to win.
8. I will not encourage any behaviors or practices that would endanger the health and well-being of the student athletes.
9. I will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials, and spectators at every game, practice or sporting event.
10. I will not engage in any kind of unsportsmanlike conduct with any official, coach, player, or parent such as booing and taunting; refusing to shake hands; or using profane language or gestures.
11. I understand that any violation of this code of conduct may be cause for dismissal, suspension or permanent expulsion from future athletic contest(s).

The school district will take the appropriate steps listed below if administrative consequences are necessary, (One or more of the violations may be applied)

1. Verbal warning issued and documented by a game official, chaperone and/or school official.
2. If behavior continues suspension or immediate ejection from the sports event will be issued by a game official, chaperone and/or school official.
3. The Athletic Advisement Committee (or its designees) will meet to determine whether anyone suspended or ejected may attend future athletic events. The offender(s) will have an opportunity to meet with the Athletic Advisement Committee. The following actions may be taken by the committee:
   a. The initial suspension or ejection is an adequate consequence. The incident is documented and any violations of the Code of Conduct in the future will have more severe consequences.
   b. Suspension from multiple sports events (home and/or away). Any misconduct during or after the suspension may cause the Athletic Advisement Committee (or its designees) to pursue Action C.
   c. Season suspension or multiple season suspension issued with approval from the Board of Education.
END OF THE YEAR FIELD TRIPS FOR GRADES 6 & 7

Grade level teams may decide to organize end of the year field trips. While the Board of Education only authorizes field trips that are educational in nature, the students must demonstrate good behavior throughout the year to be eligible to attend these events. Therefore, each grade level team may set conduct standards the students need to meet to be eligible for these trips. The administration, however, may review individual cases and hold the final decision as to eligibility.

PARENT PORTAL INSTRUCTIONS

To help ensure student information is secure, each parent must be approved before access is given to the Parent Portal in eSchool Data, the district’s student management system.

In order to complete the registration process, parents must know their student’s ID number. Student ID numbers can be found on progress reports or report cards that are sent home.

**Step 1:** Go to the Parent Portal website by visiting https://esd-parentportal.neric.org or using the link found on the district website (look for the “eSchool Parent Portal” logo on the right side of the screen).

**Step 2:** New users must create an account by clicking on “Online Registration”.

![Image showing steps 1 and 2 of the Parent Portal instructions](image-url)
Step 3: Complete all required fields and click “Finish Registration”. An e-mail will be sent to the parent or guardian acknowledging the account request.

The system administrator, Mabel Dumas, will review each request to verify the request is legitimate and conforms to the district’s policy for providing access to the Parent Portal. Once the request is approved or denied, an e-mail will be sent notifying the parent or guardian. If the request is approved, the e-mail notification will contain instructions for activating and accessing the Parent Portal.

If you have any questions, please contact Ms. Dumas at 279-4600 ext. 2006.
