_____ has expressed an interest in attending a dance at our high school on _____. We have a policy that must be followed when we have visitors attending school functions. For the protection of our students and staff, all visitors must abide by the following rules:

- ✓ Must be a registered student (grades from 9-12) in a high school. If already a graduate or out of school, a meeting may be required with the principal prior to permission being given.
- ✓ Have signed permission from parent/guardian by _____.
- ✓ Obey all rules of the Brunswick Central School District.
- ✓ Remain in the building throughout the function.
- ✓ Sign in with the chaperones upon entering the dance.

We need commitment from the guest and parent/guardian should a problem arise (i.e. drinking, drugs, fighting, and theft, etc.) the parent/guardian will be available to come to the high school and pick up the guest. No second warnings are given and no exceptions are made. Please complete and sign the form at the bottom and return to the high school office.

My son/daughter _____ has my permission to attend the Brunswick Central School high school dance on _____. I understand that if a problem arises I will be called to pick up my child.
